

An aerial, high-angle photograph of a zebra crossing on a city street. The crossing consists of alternating black and white horizontal stripes. Several pedestrians are captured in motion, walking across the stripes. Their shadows are cast long and dark on the pavement, indicating bright, direct sunlight. The people are dressed in casual summer attire. One person in the upper right is looking at a phone, another in the center is carrying a bag, and one in the lower right is holding a blue umbrella. The overall scene is busy and urban.
