Summer Reading Program

Did you know that there are 3,166 items in the WBC library? How many of those have you read? How many do you think you can read the next couple of months? Join the summer reading club, (all ages) and set your goal high. There are fiction books for adults, nonfiction books on many topics, biographies, books of many varieties for middle readers—both fun and edifying series, engaging books for children and even the very youngest children. Join us in exploring new books this summer!
