Benediction

Missionary of the Month:

Choices Medical Clinic

- Pray that abortion-vulnerable women would realize that they have a choice for life. Pray that they would come to Choices Medical Clinic and hear the gospel as well as the beating heart inside of them.
- Pray for the volunteers at Choices to be bold and yet gentle with the truth.
- May the Lord be honored as we thank Him for His incredible faithfulness over these years.
- Moving forward, pray the staff at Choices seeks His clear leading as the cultural landscapes surrounding us continue to change.
- May He give Choices creativity and boldness as they seek to faithfully love the lost and offer the great hope of the Gospel.
